STUDY THE WORD

How does the answer to "Who are you?" tell a lot about what you find your identity in?

Define Identity.

What does culture say determines your identity? (Desire over Design) What does Jesus say determines your identity? (Design over Desire)

What two truths from Scripture do we need to remember about our design? "We were created by God." and "We were created for community."

Read Genesis 1:27/Matthew 19:4/Colossians 1:15-17. Who created us?

Read Genesis 2:18/Hebrews 10:24,25. What were we created for?

Read Galatians 3:28. What point is Paul trying to make with this verse?

SHARE THE WORD

Why do we struggle so much with our identity?

How does being a child of God change the way I view the rest of the things I am in my life?

Who do you know that lives out their identity as a child of God well? What do you notice about them that is different from others?

PRAY THE WORD

Adoration: Praise God for being our designer.

Confess: Agree with God that we often put our desires over our design.

Thanksgiving: Thank Jesus for making us a new creation in Him and calling us to be one in Him.

Supplication: Ask the Holy Spirit to remind you of the truths from Scripture that You were created by God and you were created for community.
